

# CARE FRAMEWORK

## READING GUIDE FOR LEARNING COMMUNITIES

1. How did you define antiracist education prior to reading the CARE Framework? How does the CARE Framework add to your definition?
2. How does using the Framework change the way you think about teaching and learning?
3. What questions do you have after reading?
4. What themes stand out to you? What details stand out to you?
5. How would you summarize the CARE Framework to a caregiver?
6. What is a specific problem in your context that the CARE Framework will help you solve?
7. What connections are you making to your practice?
8. How does the CARE Framework make you feel? Why are feelings important as an antiracist educator?
9. How is the CARE Framework similar to and different from other instructional frameworks?
10. Describe the CARE Framework from the perspective of a student.
11. Talk about your antiracism journey. How would the CARE Framework have impacted your antiracist educator journey if you had it earlier in your career?
12. What applications for the CARE Framework do you see for various educational content areas or instructional and leadership positions?
